SUMMARY

Military professional with experience in operation management, advanced technology and team management. Highly motivated resourceful Electronics Technician with advanced expertise in component-level circuit analysis and fault diagnosis skills. Adept in working with engineers, team environment defining specifications for new designs. Knowledge of design techniques for blueprints, drawings and models. Entry level Full stack developer specializing in front-end development frameworks HTML5, CSS3, Bootstrap 5, JavaScript, React, Redux, jQuery, JSON, Node.js, WordPress.

WORK EXPERIENCE

January 2023-Current

Jr. Software Developer

🏢 Banyan Labs
📍 United States

- Develops processes and procedures, curriculum, and training for onboard Banyan Labs.
- Create full stack projects using HTML, CSS, JavaScript, REACT & Node.js
- Networking and build relations to create and solidify Key member responsible for rebuilding websites.

2010-2012

Structured Cabling Technician

🏢 Xeriom Inc
📍 Phoenix, Arizona, United States

- Installation of cable infrastructure (CAT5/E, CAT6, and Fiber)
- Dress and route cable into IT closets, modular furniture, and other work area outlets
- Cable pathway installation (J-hooks, D-rings, cable trays, and ladder racks)
- Cable management (dressing and labeling)
- Cable Termination (Patch Panel, Jacks, Keystones, RJ-45/Modular Plug)
- Wireless Access Point (WAP), Fiber ONT, and Network Switch installation
- IT Closet Builds (Data rack, ladder rack, cable tray, patch panel, sleeves, 110/66 blocks)
- Fiber splicing, installation, and testing (Fluke and OTDR experience)

- Read and follow blueprints set for installation
- Follow safety guidelines and protocols (Proper PPE, clean up jobsite, OSHA)
- Manage teams to effectively complete large-scale commercial projects

EDUCATION

1997-2000

Bachelor's Degree

- 🎓 ITT Technical College
- 📍 Albuquerque, New Mexico, United States

ITT Technical College / Bachelor's Degree Electronics Engineering Technologies 1997 - 2000, Albuquerque NM

- Electronics Engineering Technologies

1995-1997

Associate's Degree

- 🎓 May Technical College
- 📍 Billings, Montana, United States

Montana State University / Associate's Degree Computer and Electronics Technologies 1995 - 1997, Billings Mt

- Computer and Electronics Technologies

SKILLS

Bootstrap Coding Javascript JQuery JSON Mongoose Node.JS NodeJS Reactjs React
 Redux Banyan Network Switch OTDR CSS HTML Large-Scale Networking WAP Wireless
